

Empowering Electronic Excellence from Consortium of Karnataka Electronics

“Electronics Beyond Boundaries -
Strategic Growth Together for
a Sustainable Future”

CLIKTRONIKA 2025, the flagship event of the CLIK, will be held at
The Central Manufacturing Technology Institute
Yeshwantpura, Bengaluru,

on 6th & 7th February 2025

This premier platform connects industry leaders, innovators, and policymakers to explore cutting edge solutions and foster growth in the Electronics System Design and Manufacturing (ESDM) sector.

India's Electronics Industry - A Bright Future

The Indian electronics market is forecast to reach **\$300 billion by 2026**, driven by a robust **16% CAGR**. Key drivers include the growth of **5G, automotive electronics, IoT, and renewable energy systems**. Bangalore, the nerve centre of this industry, contributes significantly with:

- **100s of electronics and semiconductor companies**, ranging from MSMEs to global MNCs.
- A robust **talent pool of engineers**, supported by top engineering institutions and R&D centres.

Government support through incentives, subsidies, and policies aimed at promoting ESDM and semiconductor growth.

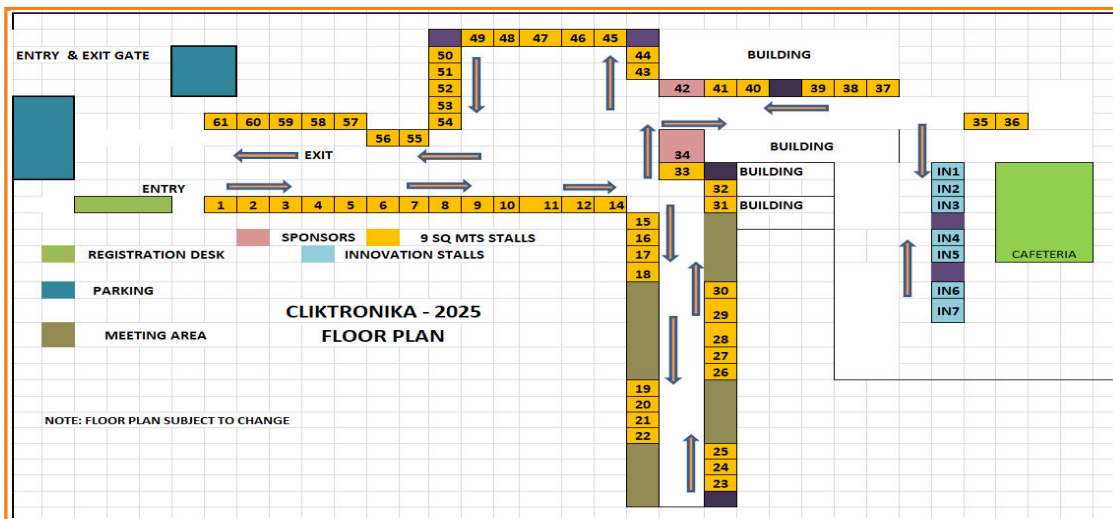

CLIKTRONIKA 2025

- **Showcase Your Innovations:** Present cutting - edge products and solutions to a highly targeted audience of industry professionals.
- **Build Strategic Networks:** Connect with key stakeholders, decision makers, and thought leaders from across the Electronics and Allied sectors.
- **Learn and Innovate:** Gain insights from impactful seminars and tech sessions by renowned experts.
- **Collaborate for Growth:** Partner with government, academia, and industry to address challenges and drive sustainable development.
